To

The Secretary to the Chief
Commissioner of Mysore.

Sir

In forwarding the marginally noted Copies of Letters from the Deputy Commissioner, Hassan, I have the honor to state for the information of the Chief Commissioner, that in 1875 two pieces of Jodi land (Nos. 213 & 215) measuring 2 acres, 36 guntas and 64 yards, and assessed at Rs 4 . 10 . 6 were taken up for public purposes, a corresponding area of waste land having been alienated to the Jodidars as per marginally noted correspondence - Of the lands so taken up, No. 213 was planted as a village Tope. While a portion of the land No. 215 (A 0 „ G 9 „ Yds. 11) was utilized for the Extension of the Dooda Arsikere road, leaving a balance of A 1 „ G 26 „ Yds. 14 waste and uncultivated - Of this area, the Deputy Commr. Hassan, now recommends the alienation of A 1 „ G 22 „ Yds. 98 to Ramadasiah for erecting a Chuttre and a Tope, without any Endowment. The spot has been inspected and approved of by him personally - Sanction is solicited under the circumstances, for the proposed alienation

2. The usual statement with the Canarese papers, is herewith submitted.

No. 702.

To.

The Commissioner
Ashtagraw Division.

Sir,

In resubmitting herewith the statement of alienation of State land, received with your Docket No. 351 of the 28th ultimo, to be made over to one Ramadasiah for erecting a Moosafirkhana and planting a Tope at Dooda in the Harnhalli Talook, I have the honor to request the favor of your attention to the Correspondence ending with your Office docket No. 684 of the 13th August 1875, from which it will be seen that you have conveyed the sanction of the Local Government to the resumption of the Jodi land on account of Dooda Arsikéré road

road. - 1.

The total area of the dry land No. 215 was 1 A. 36 G. 4 Po., of which 0 A. 9 G. 11 Po. has been taken towards the Extension of Dooda Arsiméré road - & the remaining portion, viz: 1 A. 26 G. 14 Po., it is proposed to alienate 1 A. 22 G. 98 Po. to Ramadasiah for building a Chutter, and Erecting a Tope. The remaining portion of the land, the Amildar reports to be unfit for Cultivation.

In conclusion I beg to point out that the Rules referred to in your letter under reply, do not seem to apply to this case, as Ramadasiah merely asks for land to build on and to plant a Tope. He does not ask to have his Chutter endowed by Government.

I have &c.
